Mission & Vision Statement

A national framework for unity, heritage, and progress across all Australian states and territories

Serving Kalenjin communities in NSW, SA, VIC, QLD, NT, TAS, ACT, and WA

1. Our Vision

VISION

To be the premier unifying force for the Kalenjin community in Australia — fostering a resilient, culturally proud, and economically empowered diaspora that honours our roots while building a connected and prosperous future for present and future generations across every state and territory.

Our vision is of a united Kalenjin people in Australia who stand together in mutual respect, preserve what makes us who we are, and create lasting opportunities for our children and grandchildren — in peace, love, and unity.

2. Our Mission

MISSION

To provide a national umbrella platform that promotes unity, collaboration, advocacy, cultural preservation, mentorship, investment welfare, and community empowerment among Kalenjin people and organisations across Australia — strengthening state association objectives while advancing national progress for our community.

Gotabgaa Australia exists to bring Kalenjin communities together at the national level — not to replace or compete with state associations, but to complement their work with unique and greater objectives that serve the whole diaspora.

3. Core Pillars of Our Vision

These five pillars guide everything we do and resonate with Kalenjin communities across all states and territories.

1. Unity — Kimnatet ak Kibagenge

Gotabgaa will foster mutual respect, inclusivity, collaboration, and a strong sense of belonging. By standing together, supporting one another, and embracing our diversity, we become stronger as a community — better equipped to preserve our heritage, empower our members, and create opportunities for future generations.

2. Cultural Preservation

Creating spaces to celebrate Kalenjin traditions, language, and values — ensuring they are passed down to the next generation, even in a new environment. Through language literacy, traditional ceremonies, and cultural gatherings, we keep our identity alive and meaningful.

3. Empowerment and Growth

Providing mentorship, educational resources, and networking opportunities that equip members to succeed in their professional and personal lives within Australia. Connecting established professionals with newcomers to support integration, career growth, and leadership development.

4. National Connectivity — Gotab Gaa

Bridging the distance between states through digital platforms and annual gatherings that strengthen the Gotab Gaa spirit — the coming together of families and friends — nationally and globally. A central, easy-to-use hub for all Australian Kalenjins to connect, find resources, and stay informed, regardless of location.

5. Emergency Response & National Solidarity

Uniting all Australian states and territories to respond promptly, compassionately, and effectively to emergencies affecting members of the Kalenjin community — including bereavement, serious illness, accidents, natural disasters, and other humanitarian crises through coordinated nationwide solidarity.
